

WG-510 oil

**WONDER
GRIP®**

All purpose, general handling glove

PRODUCT INFORMATION

MATERIAL Coating : Nitrile double palm coating
Liner : 13 Gauge / Nylon & Spandex

COLOUR Black

PACKAGING 12 pairs / Plastic bag

SIZES 07/S , 08/M , 09/L , 10/XL

DESCRIPTION

Wonder Grip® Oil has a 3/4 dip, double palm nitrile coating and a 13 gauge nylon liner with spandex.

Wonder Grip® Oil has excellent durability, and prevents oil leakage through the palm. Wonder Grip® Oil also allows easy hand movement, provides excellent coolness and flexibility.

RECOMMENDATION

OIL AND WET RESISTANCE:

Provides a controlled grip in wet and difficult oily applications in non hazardous chemical environments.

TECHNOLOGY

GRIP

Our focus is on developing gloves that are thin and easy to use whilst providing the best grip through the design and material used for each glove. We believe grip strength will improve safety.

The sponge-like coating on each Wonder grip® glove mimics the suction cup characteristics found on the tentacles of an octopus. Our focus on maximising the quality, durability and grip potential of each Wonder grip® glove design has significantly enhanced performance in dry, wet and oily conditions.

NITRILE

Nitrile has the advantage of being resistant to friction and oil. Wonder Grip® gloves have not only encompassed the advantages of nitrile but also dramatically improved their overall oil grip strength.
