

WG-518 Oil Plus

**WONDER
GRIP®**

Ultra-wet or oily environment, Knitwrist cuff

PRODUCT INFORMATION

MATERIAL	Coating : Nitrile double back coating Liner : 15 Gauge / Nylon
COLOUR	Purple
PACKAGING	12 pairs / Plastic bag with a user manual 144 pairs / Carton
SIZES	07/S , 08/M , 09/L , 10/XL , 11/XXL

DESCRIPTION

"Wonder Grip® Oil Plus" incorporating seamless knitted 15gauge nylon liner with a double nitrile coating delivers excellent grip in dry, wet and oily condition. Double coating technology provides durability and high resistance to abrasion, yet unique soft finish offers great dexterity and flexibility with minimal hand fatigue.

RECOMMENDATION

WATER & LIQUID RESISTANCE:

Suitable for handling in wet applications.

OIL RESISTANCE:

Offers controlled grip under oily and slippery environments.

TECHNOLOGY

GRIP

Our focus is on developing gloves that are thin and easy to use whilst providing the best grip through the design and material used for each glove. We believe grip strength will improve safety.

The sponge-like coating on each Wonder grip® glove mimics the suction cup characteristics found on the tentacles of an octopus. Our focus on maximising the quality, durability and grip potential of each Wonder grip® glove design has significantly enhanced performance in dry, wet and oily conditions.

NITRILE

Nitrile has the advantage of being resistant to friction and oil. Wonder Grip® gloves have not only encompassed the advantages of nitrile but also dramatically improved their overall oil grip strength.
